- Example: Cookies that keep you logged into your account.

2. Analytical/Performance Cookies These cookies help us understand how visitors interact with our Site by collecting information about the number of visitors, which pages are most visited, and how users move around the Site. This helps us improve the functionality and user experience of the Site.

- Example: Google Analytics cookies.

3. Functionality Cookies These cookies allow the Site to remember your preferences (such as your username, language, or region) to provide enhanced, more personalized features.

- Example: Cookies that remember your language settings.

4. Targeting/Advertising Cookies We and our third-party advertising partners may use these cookies to deliver advertisements relevant to you based on your interests. They can also limit the number of times you see an advertisement and help measure the effectiveness of ad campaigns.

In some cases, third-party cookies may be set by partners who provide services (such as analytics or advertising) via our Site. These cookies are subject to the privacy policies of the third parties that place them.

For example, we use Google Analytics, which sets cookies to collect information on how visitors use our Site. This information is used to compile reports and help us improve the Site.
